Why "us"

Expert faculties for
MHT-CET / AIEEE / IIT-JEE

Good track record producing
results from avg students also

Well designed and Complete
study material

Most updated and informative
website

OMR based computerised
paper checking

Detailed individual analysis
report card for important tests

Reference Book Library

Post exam Counselling on Engg.
Institute selection

60 days residential programme
Super-30 for the talented students

Various parental control systems
adopted for adaptive studies

Working in association with
leading educational Institutions

Deccan Education Society's

Fergusson अिचिअ

(Academy for Career Advancement & Research)
